

Victor H H Goh's CURRICULUM VITAE
Sept 2007

PERSONAL HISTORY:

Business address: GCRC, Core Laboratory
1124 West Carson Street,
Torrance, California 90902

Work Phone (310) 222-1855
Cell Phone (310) 8030631
E-mail: vgoh@labiomed.org

Home address: 6568 Beachview Drive, # 311
Rancho Palos Verdes, CA 90275

Home Phone:

Date of Birth: May 31, 1949
Place of Birth: Singapore
Citizenship: Singaporean/U.S. Permanent Residence
Marital Status: Married

EDUCATION and TRAINING:

National Academy of Clinical Biochemists 2006 -
Fellow

National Institute of Child Health & Human Development, 08/1983 – 08/1985
National Institute of Health, Bethesda, Maryland, USA
Post-doctoral training in Endocrinology –

The Fogarty International Fellowship

National University of Singapore, Singapore Degree: (PhD in Biochemistry)	1978 -1981
University of Singapore, Singapore Degree: (Bachelor of Sciences (Honors in Biochemistry))	1976 -1977
Department of Endocrinology, Chelsea Hospital for Women, & Middlesex Hospital, London, UK WHO Research Training Grant - Training in Endocrinology & Immunoassays	10/1977 – 03/1978
Campus Crusade Great Commission Training Centre, Manila, Philippines. Training in Public speaking, Communication and management skills.	09/1972– 05/1973
University of Singapore, Singapore Degree: (Bachelor of Sciences in Biology)	1969 - 1972

PROFESSIONAL EXPERIENCE:

Professor and Head of Endocrine Research & Service Lab Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	07/2001 -01/2007
Associate Professor, & Head of Endocrine Research & Service Lab, Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	07/1996–06/2001
Short-term consultant to the Special Programmed for Research, Development and Research Training in Human Reproduction (HRP), World Health Organization, Geneva, Switzerland. During the tenure at WHO, the primary responsibility was to act as the Manager for the Asia and Pacific Region in charge of country programmes including China, Mongolia, DPR Korea, Thailand, Laos, PDR, Cambodia, Philippines, Singapore, South Korea.	05/1994-04/1995
Adjunct Senior Research Fellow Defence Medical & Environment Research Institute/ Defence Science Organization (DMERI/DSO), Singapore	03/1996-

Senior Research Fellow & Head of Endocrine Research & Service Lab, Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	07/1987–06/1996
Clinical Scientist & Head of Endocrine Research & Service Lab, Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	07/1981–06/1987
Research Assistant, Endocrine Research & Service Lab, Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	04/1976–10/1976
Clinical Biochemist & Head of Endocrine Research & Service Lab, Department of Obstetrics & Gynaecology, National University of Singapore, Singapore	11/1976–06/1981
Student Counsellor Campus Crusade Asia Ltd	05/1972-05/1975

CERTIFICATION:

The Royal College of Pathologists, London, UK Full membership Subspecialty - Chemical Pathology	1992
The Royal College of Pathologists, London, UK Fellow (highest level in this professional body) Subspecialty - Chemical pathology	2000
National University of Singapore-Quintiles Clinical Research Training Programme Good Clinical Practice #1	06/1995
National University of Singapore-Quintiles Clinical Research Training Programme Clinical Trial Supplies	10/1996

PROFESSIONAL ACTIVITIES:

Committee Services

Member of the Promotion and Recruitment Committees, Department of Obstetrics and Gynaecology, Yong Loo Lin School of Medicine, National University of Singapore	2002- 2006
---	------------

- Chairman, Institution Review Board (IRB), Defence Medical Research Institute 2001 – 2006
- Rapporteur of the In-dept External Review Committee to assess the effectiveness and impact of the research capacity strengthening strategy of the Human Reproduction Programme (HRP), World Health Organization, Geneva, Switzerland 01/2000-06/2002
- Member of the NUH Audit Committee to review the Assisted Reproduction Techniques in the National University Hospital. 2000
- Chairman of the Regional Advisory Panel for Asia and the Pacific Region of the Special Programme for Human Reproduction, World Health Organization. 10/1998-2002
- Member of the WHO Regional Advisory Panel for Asia and the Pacific Region of the Special Programme for Human Reproduction, World Health Organization. 07/1996-10/1998
- Member of the Scientific and Technical Advisory Group (STAG) of the Special Programme for Human Reproduction, World Health Organization. 02/1999
- Member of the WHO Laboratory Methods Group of the Special Programme of Research, Development and Research Training in Human Reproduction. 11/1996-2000
- Chairman of the WHO-sponsored Regional (S.E. Asia) Programme for the Production and Distribution of immunoassay Kits for Hormones for Research in Reproductive Biology. 1989 - 1994

Community Service

- Chairman, Yio Chu Kang Chapel Kindergarten Management Committee. 1994 -2006
- Member of the Community Resource Volunteer Crop (Health) (Ministry of Community Development) 1989
- Non-Resident Fellow, Sheares Hall, National University of Singapore 12/1981-12/2002

Non-Resident Fellow, Dunearn Road Hostel, 04/1977-11/1981
University of Singapore

Professional & Scholarly Associations

Member of the Organizing Committee of the 3rd ISSAM 2003- 2005
meeting in Chiang Mai, Thailand Jan 26-29 2005.

Chairman of the Scientific Committee of the Asian and 2002 – 2005
Pacific Council for the Study of the Aging Male (ACSAM).

Member of the Organizing Committee of the Second 2001 – 2003
ISSAM meeting in Taipei, Taiwan 6-9 March 2003.

Member of the organizing committee of the First Asian 2000- 2001
Congress on the Study of the Aging Male. Kuala Lumpur,
Malaysia; March 2001.

Member of the Scientific Advisory Board and Faculty of the 2001 – 2002
3rd World Congress on the Aging Male. Berlin, Germany 7
– 10 February 2002.

Member of the International Society for the Study of the 2001 -
Ageing Male.

Committee member of the Society for the Study of 1991 – 1993
Andrology and Sexology of Singapore.

President, Biomedical Research and Experimental 1987 – 1999
Therapeutic Society of Singapore.

Member of the Endocrine society, USA. 1987 -

Member, Biomedical Research and Experimental 1982 –
Therapeutic Society of Singapore.

Associate member, Singapore Obstetrics and 1978 –
Gynecological Society.

Member, Singapore Association of Clinical Biochemists. 1978 -

Editorial Services

Member of the Editorial Board of the Asian Journal of 2005 -
Andrology.

Member of the Editorial Board of the Journal of the Asean, 1990 – 1993
Federation of Endocrine Societies.

Member of the Editorial Board of the Singapore Journal of 1979 – 1983
Obstetrics and Gynaecology.

Consulting Activities (List Clients)

Client: Schering AG

Gave a lecture on Guideline for androgen replacement 06/09/05–06/10/05
therapy for aging male: diagnosis, screening, therapy and
follow-up. The product managers meeting for the Asia-
Pacific Region, Seoul, Korea.

Client: WHO/Human Reproduction Programme (HRP)

As a Temporary Advisor to the WHO, and attended the 19th 02/20/03-03/01/03
Scientific and Technical Advisory Group (STAG) of the
Department of Human Reproduction and Research (RHR),
WHO, Geneva, Switzerland

Client: WHO/Human Reproduction Programme (HRP)

Chairman of the Regional Advisory Panel for Asia and 10/27/02-10/30/02
Pacific, Department of Human Reproduction and Research,
World Health Organization – 6th RAP Meeting in Kuala
Lumpur, Malaysia 28 Oct – 1 Nov 2002

Client: WHO/Human Reproduction Programme (HRP)

As a Temporary Advisor to the WHO to attend the Meeting 02/14/01-02/23/01
of the Chairs of the Regional Advisory Panels, and the 18th
Meeting of the Scientific and Technical Advisory Group, as
Rapporteur, to present the report of the External Review
Committee for the Global Research Capacity Strengthening
for developing countries involved in the WH Reproductive
Health Programme, Geneva, Switzerland

Client: WHO/Human Reproduction Programme (HRP)

As a Temporary Advisor to the WHO, presented a talk on 03/11/01-03/16/01
“Strategies for meeting the reproductive health needs of
developing countries” on behalf of the Department of
Reproductive Health and Research (RHR), WHO in the
Symposium on Health Research System organized by the
COREH in conjunction with Rockefeller Foundation and
WHO, Cha-Am, Thailand

Client: WHO/Human Reproduction Programme (HRP)

Third Meeting of the External Review Committee for the 11/29/00-12/02/00
Global Research Capacity Strengthening for developing
countries involved in the WHO Reproductive Health

Programme, Geneva, Switzerland

Client: WHO/Human Reproduction Programme (HRP) 08/07/00-08/11/00
Second Meeting of the External Review Committee for the Global Research Capacity Strengthening for developing countries involved in the WHO Reproductive Health Programme, Geneva, Switzerland

Client: WHO/Human Reproduction Programme (HRP) 01/31/00-02/04/00
Site visited the WIRHDC, Medan, Indonesia as a Temporary Advisor to the HRP, World Health Organization.

Client: WHO/Human Reproduction Programme (HRP) 01/17/00-01/21/00
Attended the Planning meeting of the External Evaluation Team, Geneva, Switzerland.

Client: WHO/Human Reproduction Programme (HRP) 02/17/99-02/25/99
Attended the Meeting of the RAP's Chair Meeting as well as the Scientific and Technical Advisory Group (STAG) meeting in Geneva, HRP, WHO.

Client: WHO/Human Reproduction Programme (HRP) 11/10/98-11/12/98
Acted as a WHO Temporary Adviser to assist staff at the West Indonesian Reproductive Health Development Centre, University of North Sumatra to help assess the progress of the WHO-sponsored project.

Client: WHO/Human Reproduction Programme (HRP) 10/11/98-10/17/98
Participated in the Intraregional Cooperation in Reproductive Health Research: Asia and the Pacific Symposium as well as Acted as the Chairman during the 2nd Meeting of the Regional Advisory Panel (RAP), Asia and Pacific Region of the World Health Organisation, Shanghai, China Oct 1998.

Client: WHO/Human Reproduction Programme (HRP) 09/09/98-09/11/98
Acting as the interim Chairman of the Regional Advisory Panel/WHO and participated in the celebration of WHO 50th and 25th Anniversary of WHO CCR in Chulalongkorn University, Bangkok.

Client: WHO/Human Reproduction Programme (HRP) 06/22/98-06/26/98
Acted as a WHO Temporary Adviser, and as the interim Chairman of the Regional Advisory Panel, sited visited the State Research Centre on MCH and Human Reproduction, Ulaanbaatar, Mongolia and assessed the progress of the

WHO-sponsored project.

Client: WHO/Human Reproduction Programme (HRP) 07/20/98-07/21/98

Acted as a WHO Temporary Adviser to assist staff at the West Indonesian Reproductive Health Development Centre, University of North Sumatra. Attended and spoke at the vision meeting as well as visited three villages and surveyed the reproductive health services there.

Client: WHO/Human Reproduction Programme (HRP) 02/03/98-02/06/98

Acted as a WHO Temporary Adviser to assist staff at the West Indonesian Reproductive Health Development Centre, University of North Sumatra, in reviewing the Long-term Institutional Development grant application and activities.

Client: WHO/Human Reproduction Programme (HRP) 12/10/97-10/12/97

Attended the Steering Committee Meeting of the Laboratory Methods Group, Geneva, Switzerland.

Client: WHO/Human Reproduction Programme (HRP) 10/13/97-10/16/97

Appointed a member and attended the 1st Meeting of the Regional Advisory Panel for Asia and the Pacific, Chiang Mai, Thailand.

Client: WHO/Human Reproduction Programme (HRP) 12/11/96-12/13/96

Attended the Steering Committee Meeting of the Laboratory Methods Group, Geneva, Switzerland.

Client: WHO/Human Reproduction Programme (HRP) 11/16/96-11/28/96

Acted as a WHO Temporary Adviser to assist staff at the West Indonesian Reproductive Health Development Centre, University of North Sumatra, in reviewing the Long-term Institutional Development grant application and activities.

Client: WHO/Human Reproduction Programme (HRP) 10/24/96-10/27/96

Attended the Meeting of the Regional Advisory Panel for Asia and the Pacific, Yanuca Island, Fiji.

Client: WHO/Human Reproduction Programme (HRP) 12/18/95-12/20/95

Attended the Laboratory Method Group Meeting in Geneva, Switzerland as an invited expert.

Client: WHO/Human Reproduction Programme (HRP) 11/23/95-12/01/95

Acted as a temporary adviser to WHO/HRP and site visited

the centers in Medan, and Surabaya and attended the BKKBN Scientific meeting.

Client: WHO/Human Reproduction Programme (HRP) 10/20/95-10/27/95

Attended the WHO/Geneva CRR Subcommittee for Asia and Pacific region as a temporary adviser at its steering committee in Poona India. At the meeting assisted WHO to assess, review and recommend funding for the various country programme in these regions.

Client: WHO/Human Reproduction Programme (HRP) 09/18/95-09/20/95

Represented WHO/Geneva as a temporary adviser to evaluate the Institute of Reproductive Medicine, Seoul National University, South Korea and assess its suitability to continue as a WHO Collaborating Centre.

Client: WHO/Human Reproduction Programme (HRP) 08/13/95-08/19/95

Represented WHO/Geneva and attended the Workshop on Male Involvement in Reproductive Health in Guilin, People's Republic of China organized by Dr Victor Goh while he was attached to Geneva.

Client: WHO/Human Reproduction Programme (HRP) 07/16/95-07/20/95

Represented WHO/Geneva and had a meeting with the Director General of the Department of Technical and Economic Co-operation (DTEC) on the plan to activate the planned collaboration discussed in January 1995 by Dr Victor Goh.

Client: WHO/Human Reproduction Programme (HRP) 05/20/95-05/26/95

Represented WHO/Geneva as a consultant and presented a paper during the international Symposium on Fertility Regulation. Had discussion with the Vice-Minister of the State family Planning Commission and his staff on the future collaboration with WHO and UNFPA.

Client: WHO/Human Reproduction Programme (HRP) 03/18/95-03/20/95

Had discussion with the National Project Coordinator of the WHO/UNFPA P25 of the State Family Planning Commission, Beijing as well as the UNFPA programme officers (Beijing) on the future activities of the P25 project.

Client: WHO/Human Reproduction Programme (HRP) 03/11/95-03/18/95

Represented WHO/Geneva and attended the Tripartite Review Meeting in Pyongyang Democratic republic of Korea.

Client: WHO/Human Reproduction Programme (HRP) 02/17/95-02/24/95
Represented WHO/Geneva and attended the Androgen Workshop and thence the WHO steering Committee of the Task Force for Male Fertility Regulation, Long Beach, Los Angeles, USA.

Client: WHO/Human Reproduction Programme (HRP) 02/04/95-02/08/95
Visited and had discussion with officer of the WHO Regional Office in Manila, Philippines. Evaluated the programmes on reproductive health of two WHO Collaborating Centers in Manila: 1) The Comprehensive Family Planning Centre, Dr Jose Fabella Memorial Hospital and 2) The Reproductive Health Care Centre, Department of obstetrics & Gynaecology, University of Philippines General Hospital, and recommended them for redesignation as WHO Collaborating Centers

Client: WHO/Human Reproduction Programme (HRP) 01/26/95-02/03/95
Had discussion with Dr Nikorn of the Institute of Research, Chulalongkorn University the status of the TCDC project for Laos. Had a Meeting with the Director-General of the Thailand Department of technical and Economic Co-operation (DTEC) to form bi-lateral partnership between WHO and DTEC in promoting reproductive health Cambodia, Myanmar, Vietnam and Laos.

Client: WHO/Human Reproduction Programme (HRP) 01/24/95-01/26/95
Represented WHO/Geneva and attended the High Level Conference on Birth Spacing in, Phnom Phen, the Royal Kingdom of Cambodia and discussed with the official of the Ministry of Health as well as the country Director of UNPFA (Cambodia) and a collaborative research project to go with the proposed birth spacing programme in Cambodia.

Client: WHO/Human Reproduction Programme (HRP) 10/28/94-11/01/94
Had further discussions with the School of Business Administration in Singapore on the health management workshop conducted in mandarin for the group of top Chinese officials and the Director and his programme officers in the UNFPA office in Beijing.

Client: WHO/Human Reproduction Programme (HRP) 09/08/94-09/10/94
Visit the School of Business Administration in Singapore to discuss the set up of a health management workshop conducted in mandarin for a group of top Chinese officials

sponsored by the WHO and the UNFPA

- Client: WHO/Human Reproduction Programme (HRP) 09/05/94
Visited the Department of Gynecological Endocrinology and Reproductive Medicine, the Universitat-Frauenklinik, Ruperckarl, Universitat Heidelberg, Germany, to evaluate and Recommend, on behalf of WHO/Geneva the suitability of the Institute for designation as a WHO Collaborating Centre
- Client: WHO/Human Reproduction Programme (HRP) 06/07/94-06/25/94
Evaluated the Family Planning Research Institute in Shanghai, Hangzhou, Chengdu, Tienjin and Beijing, which collaborated in the WHO/UNFPA project in reproductive health. Met and discussed with representatives in the State Family Planning Commission, and the Ministry of Public Health. Had discussion with research officers in the UNFPA country office in Beijing. Attended the Workshop on Management organized by WHO in conjunction with the State Family Planning Commission under the UNFPA P25 project.
- Client: WHO/Human Reproduction Programme (HRP) 06/04/94-06/06/94
Visit the Institute of Research at the Chulalongkorn University, Bangkok as the acting manager for Asia & Pacific Regions of WHO/Geneva, to discuss with Dr Nikorn the collaborative research project between WHO, Thailand and Laos.
- Client: WHO/Human Reproduction Programme (HRP) 04/25/94-04/29/94
Attended the WHO CRR Subcommittee for Asia and Pacific steering committee meeting as a temporary adviser. Hanoi, Vietnam.
- Client: WHO/Human Reproduction Programme (HRP) 11/28/93-12/01/93
Committee and Technical Meeting of the Laboratory Method Group, Geneva, Switzerland.
- Client: WHO/Human Reproduction Programme (HRP) 03/03/93-03/12/93
Site visit to the WHO Collaborating Centre in Stockholm and the Reference Services in the Immunoassay of Hormones in Human Reproduction, London.
- Client: Serono International 09/13/92-09/15/92
Conducted a workshop on the monitoring of hormone in ART programme for Ares Serono - Shanghai Peoples' of

China.

Client: Serono International 06/10/92-06/11/92

Conducted a working on monitoring of hormone in ART programme for Ares Serono-Beijing, Peoples' Republic of China.

Client: WHO/Human Reproduction Programme (HRP) 01/22/92-01/25/92

3rd Committee Meeting for the WHO Regional (S.E. Asia) Reagent Programme, Surabaya, Indonesia.

Client: WHO/Human Reproduction Programme (HRP) 04/23/91-04/24/91

2nd Committee Meeting for the WHO Regional (S.E. Asia) Reagent Programme, Jakarta, Indonesia.

Client: WHO/Human Reproduction Programme (HRP) 03/26/90-03/27/90

1st Committee Meeting for the WHO Regional (S.E. Asia) Reagent Programme. Bangkok, Thailand.

Client: WHO/Human Reproduction Programme (HRP) 06/26/89-07/08/89

A site visit to Institutions in Mexico City, Mexico and Havana, Cuba.

Client: WHO/Human Reproduction Programme (HRP) 06/01/87-06/07/87

WHO consultant to the Family Planning and Research Institute of Sichuan, People's Republic of China.

Client: WHO/Human Reproduction Programme (HRP) 11/09/85-11/23/85

WHO consultant to the Family Planning and Research Institute in Tienjin, Hangzhou, People's Republic of China.

Client: WHO/Human Reproduction Programme (HRP) 05/09/83-05/11/83

WHO 10th Steering Committee Meeting The Programme on Standardization and Quality Control of Laboratory Procedures in Human Reproductive Physiology. Geneva.

Client: WHO/Human Reproduction Programme (HRP) 10/13/82-10/21/82

WHO consultant to the Family Planning and Research Institute in Tienjin, Shanghai, Nankin and Wuhan, People's Republic of China.

Client: WHO/Human Reproduction Programme (HRP) 06/09/82-07/03/82

WHO 9th Steering Committee Meeting The Programme on Standardization and Quality Control of RIA of Hormones in Reproductive Physiology, Geneva.

Client: WHO/Human Reproduction Programme (HRP)

WHO consultant to the National Research Institute for Family Planning, Beijing, People's Republic of China. 12/07/81-12/19/81

Client: WHO/Human Reproduction Programme (HRP)

WHO 8th Steering Committee Meeting The Programme on Standardization and Quality Control of RIA of Hormones in Reproductive Physiology. London. 07/27/81-07/29/81

Client: WHO/Human Reproduction Programme (HRP)

WHO consultant to the National Research Institute for Family Planning, Beijing, People's Republic of China. 03/19/81-03/30/81

Client: WHO/Human Reproduction Programme (HRP)

WHO consultant to the National Research Institute for Health Sciences, Chiang Mai University, Chiang Mai, Thailand. 01/26/81-01/30/81

Client: WHO/Human Reproduction Programme (HRP)

WHO consultant to the National Research Institute for Family Planning, Beijing, People's Republic of China. 09/13/80-10/11/80

Client: WHO/Human Reproduction Programme (HRP)

World Health Organisation 7th steering Committee Meeting: The Programme on Standardisation and Quality Control of RIA of Hormones in Reproductive Physiology. London. 07/14/80-07/16/80

HONORS AND SPECIAL AWARDS:

Benjamin Henry Sheares' Lectureship – 1980 Obstetrical & Gynecological Society of Singapore

The Whitehead Award for young scientist – 1980. Singapore Association of Clinical Biochemists

The Guinness award for being a member of the team in Singapore that “produced” the first “test-tube” baby in East Asia 1983. Guinness Singapore Pte Ltd

Travel grant to present a paper at the 8th International Congress of Endocrinology, Kyoto, Japan, July 1988. The International Society of Endocrinologists.

Best scientific paper presented as a poster at the 22nd Singapore-Malaysia Congress of Medicine The Singapore College of Medicine

Medicine with participation of the Royal College of Physicians, Edinburgh – 1988.

The Science and Technology Award for being a member of the team from the Department of Obstetrics & Gynaecology involved in the assisted conception program. (highest science & medicine award in Singapore) – 1988

The National Science Board

Boehringer Mannheim Gold medal – 1988

Singapore Association of Clinical Biochemists.

Benjamin Henry Sheares' Lectureship and Gold medal - 1998

Memorial Obstetrical and Gynecological Society of Singapore

RESEARCH GRANTS AND FELLOWSHIPS RECEIVED:

- 1) Source: Academic Research Fund, National University of Singapore Title: The social, behavioral, cognitive, physiological, and micro-nutritional determinants of natural ageing in men and women in Singapore: Identifying possible preventive measures to delay the ageing process.
Amount: \$180,000
Principal Investigator: Prof Victor H H Goh
- 2) Source: National Medical Research Council
Title: Efficacy and Safety of Growth Hormone Augmentation Therapy in Men and Women with Low Growth Hormone.
Amount: \$175,400
Principal Investigator: Prof Victor H H Goh
- 3) Source: National Medical Research Council.
Title: An animal model to evaluate the feasibility and to optimize the conditions for in utero cord blood stem cell transplantation using an inbred guinea pig.
Amount: \$89,000
Co-Principal Investigator: Prof Victor H H Goh
- 4) Source: National Health Group.
Title: Development of a First Trimester Screening Program for Chromosomal Anomalies in Asian Pregnancies
Amount: \$73,500
Co-Principal Investigator: Prof Victor H H Goh
- 5) Source: Defence_Medical Research Institute/Singapore Royal Navy.

- Title: Optimal Shift Cycles in Selected SAF Vocations for Improved Performance
Amount: \$464,829
Principal Investigator: Prof Victor H H Goh
- 6) Source: Defence Medical Research Institute/Singapore Air Force.
Title: Zolpidem Entrainment (ZEN) study: To study the impact of an entrainment strategy with a 4-hour phase delay and the use zolpidem in assisting sleep on the circadian and performance parameters
Amount: \$474,000
Principal Investigator: Prof Victor H H Goh
- 7) Source: Defence Medical Research Institute/Singapore Royal Navy.
Title: Phase 2: Optimal Shift Cycles in Selected SAF Vocations for Improved Performance
Amount: \$798,930
Principal Investigator: Prof Victor H H Goh
- 8) Source: Defence Medical and Environmental Research Institute.
Title: Identification of genetic markers for bone mineral density
Amount: \$285,300
Principal Investigator: Prof Victor H H Goh
- 9) Source: Defence Medical and Environmental Research Institute.
Title: Obesity in SAF enlistees: health profiles, effects of physical training and identification of genetic factors
Amount: \$1.6M
Co-Principal Investigator: Prof Victor H H Goh
- 10) Source: A*STAR/Biomedical Research Council.
Title: Gerontology Research Programme: Biological, Clinical, Psychosocial and Behavioural Predictors of Health Status in Prospectively Followed-up Cohorts of Elderly Persons.
Amount: \$1,395,524
Co-Investigator: Prof Victor H H Goh
- 11) Source: A*STAR/Biomedical Research Council.
Title: Gerontology Research Programme: Biological, Clinical, Psychosocial and Behavioural Predictors of Health Status in Prospectively Followed-up Cohorts of Elderly Persons.
Amount: \$850,000 (Supplementary fund)
Co-Investigator: Prof Victor H H Goh
- 12) Source: Office of Naval Research International Field Office (US Navy)
Purpose: 1) To discuss and share information and experiences on current programs of works in the areas of optimal shift cycle, circadian disruptions

attendant impact on performance, sleep and sleep quality monitoring in the navy and 2) To explore areas of possible collaboration in the above mentioned areas of research with the following naval centers

NSMRL, Naval Submarine Medical Research Laboratory, Naval Submarine Base New London Groton, CT 06349-5900

Dates: 8 – 11 October 2003

NHRCH, Naval Health Research Center, San Diego, California (Point Loma naval base)

Dates: 12 – 16 October 2003

Amount: US\$4,065 (Grant No. N00014-03-1-4149)

Professor Victor Goh

- 13) Sponsored visit – on invitation by the Commanding Officer, Naval Submarine Medical Research Laboratory, M. D. Curley.
Purpose: to participate in a collaborative science effort with the U.S. Navy and the U. S. Air Force. The research entitled “The Effects of Three Watchstanding Schedules on Submariner Physiology, Performance, and Mood” will take place at Brooks Air Force Base, San Antonio, Texas, at the Air Force Research Laboratory from 20 August to 28 September 2001
Amount: Air fare, and per diem.
- 14) Source LA Biomed & Department of Medicine @ Harbor-UCLA
Title: Sleep, fatigue and performance profiles of interns over 1 week rotation of work-shift cycle
Amount: US\$170,000
Co-Investigator: Prof Victor H H Goh

LECTURES AND PRESENTATIONS:

1. Goh HH. Hormones and hormone monitoring in assisted reproduction programmes. Lecture presented at the First Course on Assisted Reproduction Techniques. 5-12 May 1991, Singapore.
2. Goh HH. Methods of Hormone monitoring in ART. Lecture presented at the First Course on Assisted Reproduction Techniques. 5-12 May 1991, Singapore.
3. Goh HH. Hormonal control in first trimester human embryo. In Seminar on Contribution to Obstetrics and Gynaecology by Department of Obstetrics and Gynaecology, National University of Singapore, 13-15 September 1991, Singapore.

4. Goh HH. Hormones and hormone monitoring in assisted reproduction programmes. Lecture presented at the Second Course on Assisted Reproduction Techniques, 5-12 May 1992, Singapore.
5. Goh HH. Methods of Hormone monitoring in ART. Lecture presented at the Second course on Assisted Reproduction Techniques, 5-12 May 1992, Singapore.
6. Goh HH. Hormones and hormone monitoring in assisted reproduction programmes. Lecture presented at the First Course on Assisted Reproduction Techniques, 5-12 May 1992, Singapore.
7. Goh HH. Methods of Hormone monitoring in ART. Lecture presented at the Second course on Assisted Reproduction Techniques, 5-12 May 1992, Singapore.
8. Goh HH. Hormones in assisted reproduction. Lecture presented at the 4th Course in Assisted Reproduction Techniques, 9-15 May 1993, Singapore.
9. Goh HH. Methods of Hormone monitoring. Lecture presented at the 4th Course in Assisted Reproduction Techniques, 9-15 May 1993, Singapore.
10. Goh HH. The WHO strategy on Reproductive Health in Developing Country. Paper presented at The First High Level Conference of Birth Spacing in the Royal Kingdom of Cambodia. Organized by UNFPA/WHO/ Royal Government of Cambodia, 24-26 January 1995, Kampuchea.
11. Goh HH. Hormones in assisted reproduction. Paper presented at 6th Course in Assisted Reproduction Techniques, 7-13 May 1995, Singapore.
12. Goh HH. Methods of Hormone monitoring. Paper presented at 6th Course in Assisted Reproduction Techniques, 7-13 May 1995, Singapore.
13. Goh VHH. The involvement of men in reproductive Health. Paper presented at the Workshop on men involvement in reproductive health. WHO-sponsored workshop. 13-19, August 1995, Guilin, People's Republic of China.
14. Goh VHH. The role of androgens in male reproduction and behavior. Paper presented at the Workshop on men involvement in reproductive health. WHO-sponsored workshop. 13-19, August 1995, Guilin, People's Republic of China.
15. Goh HH. Hormones in assisted reproduction. Lecture presented at the 7th Course in Assisted Reproductive Techniques, 9-15 May 1996, Singapore.
16. Goh HH. Methods of hormone monitoring. Lecture presented at the 7th Course in Assisted Reproductive Techniques, 9-15 May 1996, Singapore.
17. Goh VHH. The triple test for prenatal evaluation of risk of Down's Syndrome in early pregnancy. Paper presented at the 2nd Asia Pacific Down Syndrome Conference, 17-19 May 1996, NTUC Pasir Ris Resort, Singapore.

18. Goh VHH. Establishment and appraisal of the triple test for screening of Down's syndrome. Paper presented at the Continued Medical Education Programme of O & G Dept, 24 August 1996 Singapore General Hospital, Singapore.
19. Goh VHH. HRT of the climacterium, experience with a cyclic therapy with CPA, Climen. Paper presented at the First Climen Symposium in Pakistan, 2-7 October 1996, Karachi, Lahore, Islamabad, Pakistan.
20. Goh VHH. The use of the triple test for antenatal screening of Down's syndrome. Paper presented at the Continued Medical Education Programme of Mount Elizabeth Hospital, 15 November 1996, Singapore.
21. Goh VHH. Hormone replacement for menopausal women in the Asian context. Paper presented at the Continued Medical Education Programme of O & G Dept, 23 November 1996 Singapore General Hospital, Singapore.
22. Goh VHH. Hormones and folliculogenesis. Paper presented at the Master Degree Course on Clinical Embryology, 28 February 1997, National University of Singapore, Singapore.
23. Goh VHH. Hormones and superovulation in ART. Paper presented at the Master Degree Course on Clinical Embryology, 7 March 1997, National University of Singapore, Singapore.
24. Goh VHH. Hormones, luteal support and early embryonic development. Paper presented at the Master Degree Course on Clinical Embryology, 11 March 1997, National University of Singapore, Singapore.
25. Goh VHH. Hormones and sexual behaviours. Paper presented at the Master Degree Course on Clinical Embryology, 14 March 1997, National University of Singapore, Singapore.
26. Goh HH. Hormones Replacement in Men and Women. Talk given at the Meeting of the Stoma Club, 26 April 1997, Singapore.
27. Goh HH. Hormones in assisted reproduction. Lecture presented at the 8th Course in Assisted Reproduction Techniques, 4-10 May 1997, National University of Singapore, Singapore.
28. Goh HH. Methods of hormone monitoring. Lecture presented at the 8th Course in Assisted Reproduction Techniques, 4-10 May 1997, National University of Singapore, Singapore.
29. Goh VHH. Hormones and assisted reproduction techniques. Paper presented at the Singapore Association of Clinical Biochemists Continuing Education Programme, 7 August 1997, National University Hospital, Singapore.

30. Goh VHH. Monitoring of follicular growth in ART. Paper presented at the Singapore Association of Clinical Biochemists Continuing Education Programme, 14 August 1997, National University Hospital, Singapore.
31. Goh VHH. Prenatal Diagnosis and Down's syndrome. Paper presented at the Singapore Association of Clinical Biochemists Continuing Education Programme, 14 August 1997, National University Hospital, Singapore.
32. Goh VHH. Gonadotrophins and oogenesis. Paper presented at the Sims Black Visiting Professorship: Professor D. T. Baird Research Seminar, 14 November 1997, National University Hospital, Singapore.
33. Goh VHH. Menopause and HRT. Paper presented at the Department of Laboratory Medicine In-house Continuing Medical Education Programme, 12 February 1998, National University Hospital, Singapore.
34. Goh VHH. Melatonin and circadian disruption in the Navy. Paper presented at the Research Meeting, Defence Medical Research Institute (DMRI), 30 March 1998, Defence Technology Tower B, Singapore.
35. Goh VHH. Hormone and Folliculogenesis. Paper presented at the Masters' Degree Course in Clinical Embryology, 3 April 1998. National University Hospital, Singapore.
36. Goh VHH. Methods of hormone monitoring. Paper presented at the 9th Course on Assisted Reproductive Techniques, 7 May 1998, National University Hospital, Singapore.
37. Goh VHH. Hormone therapy and the ageing man (Keynote Address) (Abstract). The Singapore Association of Clinical Biochemistry (SACB) 20th Anniversary Scientific Meeting, 28 March 1998, Suntec City, Singapore.
38. Goh VHH. WHO strategy and objective for strengthening Western Indonesia Reproductive Health Development Centre, Medan. Paper presented at the Vision Meeting, Medan, Indonesia. September 1998.
39. Goh VHH. Regional networking mechanisms: recommendations for the future. A paper presented at the WHO Intraregional Collaboration, Directors symposium, 12-13 October 1998. Shanghai, People's Republic of China.
40. Goh HHV Ageing Men – What does the future hold? August 5 2000. Sheraton Tower, Singapore.
41. Goh VHH. Growth Hormone and Aging – Phuket, Thailand April 2001.
42. Goh VHH. Growth Hormone Deficiency in Aging – Bangkok, Thailand, 2001
43. Goh VHH. What can we do about aging? Malaysia Gerontology Society, Penang, October 2001.

44. Goh HHV. Defining and addressing the ageing problem in Singapore. Professorial inaugural lecture. National University of Singapore. 24 May 2002.
45. Goh VHH. Managing an ageing population. Annual Gerontology Seminar, Caring for the Elderly in a Changing Society. Saturday 18 December 2004, York Hotel, Singapore.
46. Goh VHH. Hormone Assays: Uses and Pitfalls. Didactic lecture. 22 Jan 2007 RB3 – Harbor-UCLA
47. Goh VHH. Determinants of aging in men and women. Endocrine Lab Meeting, RB1, 13 march 2007 Harbor-UCLA
48. Goh VHH. Transsexualism and the transsexual model for endocrine studies. Endocrine Clinical Conference, 4 April, L5 West Harbor-UCLA.
49. Goh VHH. Estrogen Positive Feedback and Restoration of Cyclicity in Adolescents with PCOS. Endocrine Clinical Conference. 2 May 2007. Harbor-UCLA
50. Goh VHH. Circadian rhythms and human factor research. Endocrine Lab meeting. 19 June 2007, RB1, Harbor-UCLA.

RESEARCH PAPERS (PEER REVIEWED)

A. Research Papers - Peer Reviewed

1. Chew PCT, Ratnam SS & Goh VHH. Estimation of testosterone and HCG in molar vesicle fluid; IRCS Journal of Medical Sciences (United Kingdom), 1977, 5; 165.
2. Goh HH, Chew PCT & Ratnam SS. Hydroxyapatite as a separating agent in the radioimmunoassay of steroids. Journal of Endocrinology (United Kingdom), 1977, 74: 505-506
3. Chew PCT, Goh HH & Ratnam SS. Maternal plasma testosterone level in molar pregnancy. British Journal of Obstetrics and Gynaecology (United Kingdom) 1977, 84: 528-530. (Goh did the bench work)
4. Chew PCT, Goh HH & Ratnam SS. Estimation of testosterone levels in molar pregnancy. IRCS Journal of Medical Sciences (United Kingdom), 1977, 5; 131. (Goh did the bench work)
5. Chew PCT, Goh HH & Ratnam SS. Biosynthesis of testosterone by molar trophoblast in vitro. IRCS Journal of Medical Sciences (United Kingdom), 1977, 5; 249. (Goh did the bench work)

6. Chew PCT, Ratnam SS & Goh HH. Testosterone in molar vesicle fluke and theca lutein cyst fluid. IRCS Journal of Medical Sciences (United Kingdom), 1978, 85: 218-220. ([Goh did the bench work](#))
7. Chew PCT, Ratnam SS & Goh HH. Plasma testosterone in molar pregnancy: correlation with gestational age uterine size, theca lutein cyst and serum HCG. British Journal of Obstetrics and Gynaecology (United Kingdom) 1978, 85: 624-626. ([Goh did the bench work](#))
8. Goh HH, Chew PCT, Karim SMM & Ratnam SS. Effect of castration on the endocrine profile of male transsexuals. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1978, 9(2): 53-55.
9. Goh HH, Karim SMM, Chew PCT & Ratnam SS. Peripheral conversion of testosterone to oestradiol in male transsexuals after sex reassignment. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1978, 9(3): 85-90.
10. Goh HH, Chew PCT, Karim SMM & Ratnam SS. The effect of clomiphene on uncastrated and castrated male transsexuals. Clinical Endocrinology (United Kingdom), 1979, 11: 249-255
11. Chew PCT, Goh HH & Ratnam SS. Testosterone production with hydatidiform moles - *in vitro* studies. . British Journal of Obstetrics and Gynaecology (United Kingdom) 1979, 86: 37-40. ([Goh did the bench work](#))
12. Goh HH, Karim SMM & Ratnam SS. Effect of catheterization on the secretion of prolactin and cortisol in male transsexuals. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1979, 10(2): 56-60.
13. Goh HH, Karim SMM & Ratnam SS. Endocrine profile of "virgin" male transsexuals. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1979, 10(3): 67-71
14. Goh HH, Chew PCT, Karim SMM & Ratnam SS. Control of gonadotrophin secretion by steroid hormones in castrated male transsexuals. I. Effects of oestradiol infusion on plasma levels of follicle- stimulating hormone and luteinizing hormone. Clinical Endocrinology (United Kingdom), 1980, 12: 165-175.
15. Goh HH. The effect of oestradiol and luteinizing hormone releasing hormone on the secretion of gonadotrophins in castrated male transsexuals. Benjamin Henry Sheares' Lecture. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1980, 11(2): 17-30.
16. Goh HH. A rapid and precise method for measuring plasma total oestriol. Singapore Journal of Obstetrics and Gynaecology, (Singapore) 1980, 11(3): 69-73.
17. Goh HH, Karim SMM & Ratnam SS. Plasma concentration of steroid hormones after intravenous infusion of testosterone in castrates male

- transsexuals. Annals Academy of Medicine (Singapore), 1980, 9(1): 46-49.

TECHNICAL REPORTS

1. Report on the in-depth review of research capacity strengthening by HRP/WHO. WHO/FCH/RHR/02.04, Geneva : World Health Organization, 2002. (Prof Goh was the Rapporteur of this Panel)
2. Optimal Shift Cycles in Selected SAF Vocations for Improved Performance. Victor Goh HH, Diana Teo SY, Lim Chin Leong, and Vivian Oh KC. 2003
3. Enhancement of RSAF Zolpidem entrainment for night (ZEN) programme. Victor H H Goh, Diana SY Teo, Lim CL, Zhao Bin, Vivian OH KC, Yeo WL. 2003.
4. Office of Naval Research International Field Office. Visitor's Report Sept 2003.
5. Optimal shift cycle Phase II: Study I: To evaluate the impact of modifications to the timing and duration of duty and rest periods within the 2-crew manning (6-on-6-off) shift schedule on sleep duration, sleep quality and some performance indices. Victor H H Goh, Diana Teo SY, Elaine Tan, and Vivian Oh KC. 2004.
6. To evaluate the effects of a two crew (6-on-6-off) versus a 3-crew shift (4-on-8-off) on sleep pattern, sleep duration as well as the sense of well

- being onboard of navel corvettes during a 5-7 day sortie. Research Professor Victor H H Goh, Mr Fabian Lim and Ms Diana Teo.
7. Goh VHH, Zhao HQ, CL Lim. Fatigue Matrix II. (2006)
 8. Goh VHH. Duty Travel Report on discussion on the Laos TCDC project, a collaborative project between the Institute of Research, Chulalongkorn University and HRP/WHO. Evaluation visits to the Family Planning Research institutes in Beijing, Tienjin, Chengdu, Hangzhou, Shanghai and met with officials in the State Family Planning Commission as well as the UNFPA office in Beijing on the CRP/90/P25 project, 4-25 June 1994. Report submitted to the Human Reproduction Programme of the World Health Organization, Geneva, Switzerland and UNFPA, Beijing, 1994.
 9. Goh VHH. Duty Travel Report on Assessment of the Department of Endocrinology and Reproductive Medicine, the Universitat-Fruaen Klinik, Rupercht-Kark, Universitat Heidelberg, Heidelberg, Germany, for suitability for designation as a WHO Collaboration Centre, 5 September 1994. Report submitted to the World Health Organization, Geneva, Switzerland 1994.
 10. Goh VHH. Duty Travel Report on discussions with the School of Business Administration, National University of Singapore, and with the National Project Coordinator of the UNFPA/WHO/P25 project in Beijing in preparation for the Tripartite Meeting, 28 October-18 November 1994, Singapore and China. Report submitted to the World Health Organization, Geneva, Switzerland and UNFPA, Beijing, 1994.
 11. Goh VHH. Technical Report for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and the State Family Planning Commission (SFPC): Programme of strengthening of the capability for research in human reproduction and family planning, CPR/90/P25 Project. Tripartite Review, 17 November 1994, Beijing, People's Republic of China. (Reported Submitted to UNFPA and HRP/WHO and SFPC), 1994
 12. Goh VHH. Workplan and Budget for 1995 for the United Nation Population Fund(UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and the State Family Planning Commission (SFPC): Programme of strengthening of the capability for research in human reproduction and family planning, CPR/90/P25 Project. Tripartite Review, 17 November 1994, Beijing, People's Republic of China. (Reported Submitted to UNFPA and HRP/WHO and SFPC), 1994.
 13. Goh VHH. Duty Travel Report on 1) the High Level Conference on Birth Spacing in Phnom Phen, the Royal Kingdom of Cambodia and

- discussions with UNFPA and Ministry of Health in Cambodia on research collaboration. 2) Discussion with Institute of Research, Chulalongkorn University on the Laos TCDC project, 3) Collaboration with Department of Technical Cooperation, Thailand on health assistance programmes to other Indo-Chinese countries and 4) Assessment of The Comprehensive Family Planning Centre, Department of Obstetrics & Gynaecology, University of Philippines General Hospital for suitability for re-designation as WHO Collaborating Centers, 24 January - 8 February 1995. Report submitted to the Human Reproduction Programme of the World Health Organization, Geneva, Switzerland and 1995.
14. Goh VHH. Technical Report for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and Pyongyang Maternal Hospital, Democratic Republic of Korea, DPK/90/P08 project. Tripartite Review, 11-18 March 1995, Pyongyang, Democratic Republic of Korea. Reported Submitted to UNFPA and HRP/WHO, 1995.
 15. Goh VHH. Workplan and Budget for 1995 for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and Pyongyang Maternal Hospital, Democratic Republic of Korea, DPK/90/P08 project. Tripartite Review, 11-18 March 1995, Pyongyang, Democratic Republic of Korea. Reported Submitted to UNFPA and HRP/WHO, 1995.
 16. Goh VHH. Technical Report for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and Goh VHH. Technical Report for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and The State Research Centre on MCH for Human Reproduction, UlaanBaatar, Mongolia, MON/93/P01 project. Reported Submitted to UNFPA and HRP/WHO, 1995.
 17. Goh VHH. Workplan and Budget for 1995 for the United Nation Population Fund (UNFPA), Human Reproduction Programme, World Health Organization (HRP/WHO) and State Research Centre on MCH for Human Reproduction, UlaanBaatar, Mongolia, MON/93/P01 project. Reported Submitted to UNFPA and HRP/WHO, 1995.
 18. Goh VHH. Duty Travel Report on the attendance at the International Symposium on fertility regulation as well as discussions with the State Family Planning Commission and the UNFPA Country Director in China, 20-26 May 1995. Report submitted to the World Health Organization, Geneva, Switzerland and UNFPA, Beijing, 1995.

19. Goh VHH. Duty Travel Report on the National workshop on male reproductive health. 13-19 August 1995, Guilin, People's Republic of China. Report submitted to the World Health Organization, Geneva, Switzerland and UNFPA, Beijing, 1995.
20. Goh VHH. Duty Travel Report on the Assessment of the Institute of Reproductive Medicine and Population, University of Seoul, South Korea, for redesignation as a WHO Collaborating Centre, 18-1-20 September 1995. Report submitted to the World Health Organization, Geneva, Switzerland and UNFPA, Beijing, 1995.
21. Goh VHH. Evaluation of the Annual Report and Workplan of the National Evaluation Centre for the Toxicology of Fertility Regulating Drugs, Shanghai, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
22. Goh VHH. Evaluation of the Annual Report and Workplan of the Tienjin Municipal Research Institute for Family Planning, Tienjin, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
23. Goh VHH. Evaluation of the Annual Report and Workplan of the Family Planning Research Institute of Zhejiang, Hangzhou, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
24. Goh VHH. Evaluation of the Annual Report and Workplan of the Institute of Population Research, Peking University, Beijing, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
25. Goh VHH. Evaluation of the Annual Report and Workplan of the National Evaluation Centre for Family Planning, Beijing, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
26. Goh VHH. Evaluation of the Annual Report and Workplan of the Division of Reproductive Endocrinology and Infertility, Department of Obstetrics and Gynaecology, Peking Union Medical Hospital, Beijing, People's Republic of China for the Committee on Resources for Research

Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.

27. Goh VHH. Evaluation of the Annual Report and Workplan of the Family Planning Research Institute of Sichuan, Chengdu, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
28. Goh VHH. Evaluation of the Annual Report and Workplan of the Shanghai Institute of Planned Parenthood Research, Shanghai, People's Republic of China for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
29. Goh VHH. Evaluation of the Annual Report and Workplan of the Prince of Songkla University, Faculty of Medicine, Hat Yai, Thailand for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
30. Goh VHH. Evaluation of the Annual Report and Workplan of the Institute for Population and Social Research, Mahidol University, Bangkok, Thailand for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
31. Goh VHH. Evaluation of the Annual Report and Workplan of the Family Health Division, Department of Health, Ministry of Public Health, Thailand for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
32. Goh VHH. Evaluation of the Annual Report and Workplan of the Department of Obstetrics and Gynaecology, Chulalongkorn Hospital Medical School, Bangkok, Thailand for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
33. Goh VHH. Evaluation of the Annual Report and Workplan of the Institute of Health Research, Chulalongkorn University, Bangkok, Thailand for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.

34. Goh VHH. Evaluation of the Annual Report and Workplan of the State Research Centre on MCH for Human Reproduction, UlaanBaatar, Mongolia, for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
35. Goh VHH. Evaluation of the Annual Report and Workplan of Pyongyang Maternity Hospital, Pyongyang Democratic People's Republic of Korea, for the Committee on Resources for Research Assessment of the Asia and Pacific, World Health Organization, Subcommittee Meeting, 23-26 October 1995, Poona, India, 1995.
36. Goh VHH. Duty Travel Report on the assistant given to the WHO collaborating centers in Airlangga University, Dr Soetomo Hospital, Surabaya, and the Western Indonesian Reproductive Health Development Centre, Faculty of Medicine, University of North Sumatra, Medan, Indonesia, in the formulation of the Long-term Institutional Development Grant, 25 November - 1 December 1995. Report submitted to the Human Reproduction Programme of the World Health Organization, Geneva, Switzerland, 1995.
37. Rowe P & Goh VHH. Consultants report on the scientific meeting on biochemical research in Indonesia, 29 November - 1 December 1995, Jakarta: National Family Planning Coordinating Board (BKKBN), 1996.
