

A Good Choice For Publication

Online Submission: <http://mc.manuscriptcentral.com/aja>

Recent Impact Factor: 1.302

ASIAN JOURNAL OF ANDROLOGY(AJA), an international journal is aiming at the promotion of andrological research and the enhancement of academic exchange between western and Asian andrology. AJA is distributed worldwide and invites papers from any corner of the world on all areas of andrology, both experimental and clinical (including modern, traditional and epidemiological) with the following sections:

- (1) Original articles
- (2) Review articles
- (3) Complementary medicine
- (4) Clinical experiences
- (5) Case reports
- (6) Letters to the Editor

CHANGE

Launching online submitting and reviewing system
Epub ahead of print

PROGRESS

Handling papers more quickly
— Average time from submission to first decision: 31 days

Reviewing papers much faster
— Average Reviewer turn around time: 10 days

Shortening exposure period of your research results to the public

More excellent papers! Much quicker handling! Much higher level!
