## Dear Colleagues:

On behalf of GIAF2008 local organizing committee, We are pleased to invite you to attend the 3rd Greatwall International Andrology Forum (GIAF2008), which will be held in Guangxi Nanning, China from October 16-20, 2008 as The APSSM 2008 Regional Scientific Meeting.

Nanning, the capital city of Guangxi Zhuang Autonomous Region, first established in 318 A.D., 1,600 years ago, lies in the southern China and belongs to the subtropical monsoon zone. Neighboring on Guangdong, Hong Kong and Macao, facing the Southeast Asia and backing on the vast land of southwest China, Nanning is the pilot city in China's cooperation with ASEAN and is becoming a highlight in China's economic development.

With a beautiful living environment, with the advantageous natural conditions, with the forest coverage rate higher than most of other cities, Nanning is rendered with the name "China's Green City". Nanning is also known as a garden city. Guangxi Medical Botanical Garden, the largest medical botanical garden in China, is located in Nanning. There are more than 2000 kinds of medicinal plants in the garden. The worldwide well-known Guilin Mountains and rivers. The Beihai beach, the Yiling Caves, and the Damingshan scenic area are the region's premier tourist attractions.

Nanning has many ethnic minorities. Besides the Han group, the region has 35 ethnic minorities, mainly including Zhuang, Miao, Yao, Dong, Mulao and Maonan. The Zhuang Group accounts for 63.2% of the city's population.

Visitors will be greeted by the fascinating natural scenery and rich culture. We look forward for you to attending GIAF2008 in Guangxi Nanning, China.
