

Asian Journal of Andrology

www.nature.com/aja

www.asiaandro.com

Asian Journal of Andrology (AJA) is co-published by Nature Publishing Group, a division of Macmillan Publishers Ltd., in association with the Shanghai Institute of Materia Medica at the Chinese Academy of Sciences and Shanghai Jiao Tong University.

AJA, which publishes exclusively in English, is China's leading clinical research journal with a current Impact Factor of 1.609 (Journal Citation Reports, Thomson 2008). The journal is abstracted or indexed in: BiologyBrowser, BIOSIS, CA, CAB Abstracts, CAB Health, CSCD, CSTPC, Current Contents/Clinical Medicine, EMBASE, Index Copernicus, Index Medicus, MEDLINE, PASCAL, Research Alert, SCI-Expanded and Western Pacific Region Index Medicus (WPRIM).

Scope AJA is published 6 times a year. As an integral part of international andrological research, the journal encourages and publishes original research articles that report findings of wide biological significance in the multidisciplinary field of andrology and related life sciences.

Editorial Authors should submit their manuscript online at <http://mc.manuscriptcentral.com/aja>. However, if you have problems please contact the Editorial Office at aja@sibs.ac.cn. For further details on the journal and how to submit to it see the Instructions for Authors available at <http://www.nature.com/aja>.

Publisher Except for companies based in mainland China, all business correspondence and enquiries about supplement publication, sponsorship opportunities and advertising should be addressed to Nature Publishing Group (NPG).

Meg Fitzpatrick, Publishing Manager: NPG Nature Asia-Pacific, Level 1, 15–19 Claremont Street, South Yarra, Melbourne, Victoria 3141, Australia. Tel: +61 3 9825 1122; Fax: +61 3 9825 1010; E-mail: aja@natureasia.com.

AJA is online at www.nature.com/aja Visit the journal's home pages for details of the aims and scope, readership, instructions to authors and how to contact the Editor and publishing staff. Use the website to order a subscription, reprints, a sample copy or individual articles.

Free to all readers Tables of contents and abstracts for all articles since 2005, the complete text of the January 2010 issue and the complete text of all articles after 12 months. Register online to receive the table of contents by e-mail as each issue is published.

2010 Subscriptions

INSTITUTIONAL SUBSCRIPTIONS

Institutional policy NPG utilizes a site license policy for institutional online access, using prices based on Full-Time Equivalents (FTE) or Research and Development (R&D) staff. Institutions may also purchase a separate print subscription. This offers librarians the choice of selecting the media most appropriate to their institution's budget and content usage patterns.

Subscribing to a site license Contact your local sales representative for a tailored price quote for your institution. You will be required to complete an NPG site license agreement. More information, contact details and FTE/R&D definitions are available at <http://npg.nature.com/libraries>.

Institutional print subscriptions Orders can be placed with your regular subscription agent or through NPG – either online at www.nature.com/aja or by contacting our customer services department. The pricing for a print subscription to AJA in 2010 (6 issues) is as follows:

The Americas \$901.00; Europe €735.00; UK/Rest of World £473.00.

Personal subscriptions

For customers outside mainland China who wish to take out personal subscriptions (combined print plus online or online-only) to AJA please contact the customer service subscription department of NPG. For customers in mainland China who wish to take out personal

subscriptions to AJA please contact the editorial office for more details.
