

## *Asian Journal of Andrology* initiate its new logo

**W**ith the abbreviation of Asian Journal of Andrology—"AJA" being the basic design element, a strong masculine body structure is created by traditional Chinese calligraphy. The man covering the blue globe symbolizes the consistent tenet of AJA—"Located in Asia, Facing the World." Asian Journal of Andrology, with this fresh image, is determined to create a brand new chapter in the history of international andrological research, to improve men's health and to promote scientific communication and cooperation among scientists and doctors in Asia, as well as in the world!

*With your contributions  
AJA is certain to stride forward  
in the following decades!*
