

Quick, easy measurement of testes.

Now available from ASSI,® the Test-Size® orchidometer that is accepted around the world!

The measurement of testicular size is greatly simplified with this new orchidometer which has been in use worldwide for over 25 years and is now made available in America by ASSI.

It consists of a series of graduated elliptical models, each precisely defined in shape and volume, that allows the pediatrician, endocrinologist or andrologist to make the necessary comparison and evaluation.

The orchidometer is both simple to use and safe, completely eliminating the use of calipers.

Test-size® is a registered trademark of Remcat Trade A.B.

Available in two set sizes:

- RA-125 consists of 12 models, 1 to 25ml
- RA-125 PLUS consists of 14 models, 1 to 35ml

Sterilization information:
Steam autoclave at 250° F for 15 to 20 minutes.
